

YOU'RE INVITED TO A MURDER...

You're invited to one of Harold A. Logan's (in) famous luaus. It's also a fundraiser for HAAL, the Hawaiian Association of Authentic Leis, so bring your checkbook! Get ready to party on, but know this: Trouble is brewing for Mr. Logan.

Your mission, should you choose to accept it, is to solve a murder (or two).
Are you up to the challenge???

You need not be an actor to participate and have a great time, however we do have to fill the following parts to conduct the Murder Mystery...
who's game???

Your Prime Suspects in "Murder on Maui":

Harold (Albert) Logan: The owner of the Pineapple Haven Hotel—it was part of his divorce settlement.

Bambi Bianca: Harold's girlfriend, or as she say, fiancée.

Stella Capwell: Harold's miserable and mean ex-wife from NY.

Mrs. Abigail Wiggins: She claims to be an author, psychic and expert on island voodoo (hmm, is Hawaii known for its voodoo???).

Donny Wo: A lounge singer

Thomas Q. Magnus: A private eye. He and Abigail are chums and he's here at her request because of her premonitions.

Rebel Hanukkaiihani: Harold's business partner.

Ruth Astoria: Stella's daughter from her first marriage.
